Dear Friends, Larry, Sherri, Phillip, Vang & Jim,

Just a note from your Pastor away on a speaking tour. The last two weeks have gone by rapidly, I have averaged speaking to two church groups a day since I left. I thank them for their support through World Service tell them about Alaska, our Missionary Conference and opportunities for Advance Special projects. I'm certain some of the churches will accept St. John's next unit (The Sanctuary) as a project and at least one church offered to help recruit volunteer builders to help in the actual construction when we are ready.

I was privileged to be speaker for my former Seminary's Alumni Banquet and also take in the Martin Luther King Lectures there. I enjoyed returning to speak at three former churches we had served in Illinois 1952-1960.

Shared many Pot Luck dinners. Spent 4 hours with a former Bishop and have had numerous people urge me to write a book, especially about our Chicago adventure 56 to 60.

Hope you enjoyed the excitement of the last two Sundays at St. John. See you April 23. This Sunday I speak to four Churches in Arkansas.

Blessings, David
